

SWITCHING SECURITY VALIDATION ORGANIZATIONS

If you are associated with multiple organizations and have the permissions, you can easily switch organizations and view the organization membership permissions in the **Organizations** menu.

To Switch Organizations

1. Go to **Organizations**. The organization's dashboard that you are currently viewing displays at the top of the list in the menu.
2. Select **Switch to <name of organization>**. The dashboard of the organization you chose displays.

Organizations Menu

NOTE: You can switch organizations as many times as you want.

To View the Organization Membership Permissions

1. Go to **Organizations**. The organization's dashboard that you are currently viewing displays at the top of the list in the menu.
2. Select **Organization Membership** to show the Organizations table, which contains the Org Name, ID within the Mandiant database, UUID, as well as the User Group for the selected organization.

Organizations					
Name	ID	UUID	Description	Default	User Group
FireEye	1		Default description	Yes	System Admin
MSV_Test_Org_A	2		RDV SaaS Organization created for Uyen's personal use	No	System Admin
MSV_Test_Org_D	37		RDV SaaS Organization created for Tommy's personal use	No	Reporting
MSV_Test_Org_1	40		MSV SaaS Organization created for Tommy's personal use	No	Reporting
