

AUGUST 18, 2022 MANDIANT ADVANTAGE THREAT INTELLIGENCE RELEASE

New Versions

- Mandiant Advantage Threat Intel (MATI) v2.5.27
- Mandiant Advantage API (MAAPI) v1.30.17

New in this Release

- Instead of displaying as a long list, threat actor attributions now display horizontally and are truncated after three entries.
- Refined the **What's New** feed to include a navigation function that filters for different content.
- Refined **Ask an Expert** content on Product page.
- **Expertise on Demand Service Description** (<https://docs.mandiant.com/home/eod-service-description>) and **Expertise On Demand List of Available Services** (<https://docs.mandiant.com/home/eod-list-of-available-services>) documents are now hosted in the Documentation portal.
- Users that are added to the **CC Addresses** field of a case in Salesforce (SFDC) will be able to view Expertise on Demand cases as they are added to that field.
