

OFFBOARDING

The Mandiant Threat Defense offboarding section provides instructions for:

1. **Removing Mandiant Access to Google SecOps** (<https://docs.mandiant.com/home/mh-remove-mandiant-access-to-googlesecops>).
2. **Removing Mandiant Access to EDR** (<https://docs.mandiant.com/home/mh-remove-mandiant-access-to-edr>).

Customers who are not continuing with their Mandiant Threat Defense service should only perform these steps.
