

APRIL 22, 2024 MANDIANT ADVANTAGE THREAT INTELLIGENCE RELEASE

New Version

Digital Threat Monitoring (DTM) API v0.1.326

New in this Release

- Scheduled maintenance from April 18, 2024 is complete.
- Emails received from DTM will no longer come from "Mandiant Threat Intelligence <threatintel@advantage.mandiant.com>." The new email is "Mandiant Threat Intelligence <noreply-mandiant_dtm@google.com>."

Bug Fixes

- After the scheduled maintenance on April 18, 2024, some monitors were unintentionally disabled. This has been resolved and the affected monitors have been re-enabled.
- After the scheduled maintenance on April 18, 2024, emails from DTM mistakenly had an incorrect URL. This has been resolved.
- After the scheduled maintenance on April 18, 2024, some documents produced duplicate alerts. This has been resolved.
