

## ASM AWS INTEGRATION

To provide a more thorough view of your inventory, Mandiant Advantage Attack Surface Management (MA-ASM) can integrate with Amazon Web Services (AWS).

Explore the following documentation to learn more:

- **ASM AWS Integration Considerations** (<https://docs.mandiant.com/home/asm-aws-considerations>)
- **Establish an ASM AWS integration** (<https://docs.mandiant.com/home/asm-aws-integration>)
- **Scale an ASM AWS integration across AWS Organizations** (<https://docs.mandiant.com/home/asm-scale-aws-integration-across-aws-organizations>)
